

Creative Director: Bianca Calvillo

Designer: Madison Morris

- Having the little sections be the links to the different pages, having the navigation tab show up on each section
- Keeping section headers left aligned in each page
- Adding images to the individual pages to accompany the text content
- Adding a section to the legacy page or another page to have a list of his songs or albums
 - Can be linked to an actual player
- Remove sources page
- Bolded hover state on nav tag
- "Ritchie Valens" text being the link to the home page
